ABOUT 'THE BRUNCH'

marcomays.com

Marco Mays gather individuals together in a unique and exclusive cultural network series to indulge in an intimate brunch and conversations.

Marco, originally, created The Brunch as a place for entrepreneurs who fly solo and do not have a team to bounce off of, to come together with like-minded people and be supported. Since then, The Brunch has grown in all directions and for all people.

Whether you are in business, love culture, just looking to have a tantalizing brunch or just meet some fabulous and interesting people, a seat at Marco's table is a must.

The Brunch will feature a moderator and topic at each event. It includes brunch, cultural education, a swag bag and fabulous company to converse and network with.

What better way to spend a Saturday morning!
